

PERSONALISED REPORT

Paula's Anxiety Check

A thoughtful snapshot of the patterns behind your answers, with a clear next step to consider.

YOUR RESULT

A pattern worth changing

Your answers suggest anxious patterns are affecting your thoughts, body or choices in a significant way.

YOUR AREAS AT A GLANCE

A CALMER WAY FORWARD

A calmer way forward

This is not a judgement and it is not a diagnosis. The right support can help you feel safer, think more clearly and get back more of the life you want.

YOUR NEXT STEP

Paula shares what a first conversation can look like, without pressure or judgement.

ABOUT THIS CHECK-IN

Completed for Paula Sweet (paula@paulasweet.co.uk). Your score is a reflective snapshot, not a diagnosis. It is intended to help you notice patterns and decide whether a conversation or further support would be useful.

A note from Absolute Mind

You do not need to wait until things feel unbearable before asking for support. A calm, structured conversation can be a useful place to begin.
